# Terms and Conditions of Sale

**TERMS:** Five per cent (5%) discount and free boxing and packing when cash accompanies your order. This does not apply to balled and burlapped items, such charges will be at actual cost of material used.

All accounts are due sixty days from date of invoice. Interest charged on past due accounts. Cash or satisfactory reference is required of unknown parties.

**COLLECTED STOCK:** We handle each order for collected stock individually. All material is dug fresh from the forests—on wet days only—after the order is received. The plants are selected by experienced collectors; graded in the woods; the best plants brought to the nursery, and regraded there. Shipments of collected stock are enroute to customer within a maximum of 48 hours from the time plants are taken from the forests. We do not guarantee all shipments of collected stock to be satisfactory, but we believe our method of handling this material insures better quality plants. All collected stock is fresh-dug; nothing kept in storage. Orders are booked from special quotations only. Send us your want list.

**SHIPPING:** Please give us definite shipping instructions. In the absence of special instructions, we use our best judgment without assuming responsibility. After delivery to forwarders, all articles travel at the risk of the purchaser, and if loss or delay occurs, the forwarders alone are responsible.

We charge for boxing and packing at cost of the material used. Orders accepted subject to prior sale of stock, crop injury or loss from any causes beyond our control. 25 plants at 100 rates; 250 plants at 1,000 rates.

**CLAIMS:** We are careful to keep our stock true to name as labeled and will replace, on proper proof, any stock that may prove otherwise, free from charge or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price. No claim will be entertained unless it is made in writing within ten days after receipt of stock.

**TRUCK SERVICE:** We are able to offer delivery in private trucks within a radius of 600 miles. Charges average about the same as railroad rates with the elimination of packing charges and delivery to your door.

**LOCATION:** McMinnville is located in Middle Tennessee, 70 miles East of Nashville, 138 miles west of Knoxville on U. S. Highway No. 70 S; state highways No. 1, 55 and 56.

**COMMUNICATION:** McMinnville is served by Western Union Telegraph Co., and Southern Continental Telephone Co. Our telephone number is: Day, 2304. Call us on your urgent needs.

**REFERENCES:** Any bank or business house in McMinnville, the Commercial Agencies or any leading nurserymen in the United States. We are members of the American Association of Nurserymen, Southern Nurserymen's Association and Tennessee State Nurserymen's Association.

**SAMPLES:** We will be glad to send samples of any items at the rate for ten plants.

**Ready Made Grafts**

Our grafts are carefully prepared by expert workmen and are thoroughly calloused and ready for planting when shipment is made. Each shipment will include proper planting instructions. We use Washington grown seedlings exclusively, and our scions are secured from our orchards or other dependable source and are always true to label.

Last year we prepared over one million grafts for our customers. Won't you let us take care of your grafting problems for you?
